

**General Procurement Notice
Southern African Development Community (SADC)
Africa GreenCo Structuring Phase
SADC Project Preparation and Development Facility (PPDF)**

Africa GreenCo (AGC DevCo) has been allocated grant funds from the SADC Project Preparation and Development Facility (PPDF) in order to finalise the structure of, and to implement, a creditworthy intermediary power purchaser and electricity services provider for the SADC region (GreenCo). The PPDF funds are administered by the Development Bank of Southern Africa (DBSA). AGC will apply these funds to procure and contract consulting services which will support AGC DevCo in various aspects of structuring and operationalizing GreenCo.

The current procurement plan for consulting services is as follows:

1. Legal advisory services
2. Financial advisory services
3. Implementation & Risk Management advisory services
4. Tariffs, Trading & IT advisory services
5. Technical advisory services

Procurement of the contracts financed by the PPDF will be conducted in accordance with the PPDF Guidelines (Rules) for the Procurement of Services dated November 2013 (Revision 1), as amended from time to time. The tender is open for all eligible bidders as per PPDF policies and regulations.

It is currently envisaged that all tenders will be implemented as a two-stage tender process. A maximum of six bidders will be shortlisted after a separate, preceding prequalification stage and requested to submit technical and financial proposals. The final selection will be made utilizing Quality-Cost-Based-Selection (QCBS). Specific procurement notices for each contract will be announced in at least one national newspaper and on international development cooperation tender webpages. Specific procurement notices for each contract above USD 200,000.00 will also be announced on the DBSA, SADC and AGC webpages and on international development cooperation tender webpages.
